IP20 | for Interior

Accessories:

Reflector brass

Item no.: 61PL-6000-00BR

Reflector black

Item no.: 61PL-6000-00BL

The pendant lamp impresses with its textile surface, functional downlight and ambient lighting effect. Noble and subtle, the luminaire will appear even without light and harmoniously blends into various interiors. The ambient lighting makes the luminaire a distinctive element for any room. Handmade in Europe, the luminaire is available in three different colour variants. Optionally, the reflector inside the lamp can be exchanged.
